

Welcome to my piano studio!

I'm excited to share the joy of music with your child and be part of their musical journey. Please take a moment to review the following studio information and policies.

1. Lesson Attendance

Monthly lesson fees cover 4 lessons, scheduled on the same day and time each week, for a total of 48 lessons per year. To ensure steady progress, students are expected to attend at least 44 lessons annually.

2. Lesson Payment

Monthly lesson fees are collected at the beginning of each month and are due by the 7th. Payments can be made via **PayNow** to **89199100** or by **bank transfer** to **Trust Bank: 0150873255**

3. Rescheduling & Cancellations

Lessons should be rescheduled or cancelled with at least 24 hours' notice. With sufficient notice, a make-up lesson may be arranged, subject to the teacher's availability. For illness or family emergencies, please notify the teacher at least 3 hours in advance. If the teacher must cancel a lesson due to illness or personal reasons, a make-up lesson will be scheduled at a mutually agreed time. Pro-rated lessons may be offered at the teacher's discretion.

4. Public Holidays & School Holidays

Lessons are not held on public holidays. The 5th week of any month may be used to replace missed lessons, subject to teacher's availability. Lessons continue as usual during school holidays. If your holiday plans fall on a scheduled lesson day, please notify the teacher in advance to arrange an alternative slot.

5. Termination

One month's notice is required to terminate lessons. The teacher reserves the right to terminate lessons if fees are unpaid by the due date or if a student's attendance falls below the required minimum (see section 1: Lesson Attendance).

5. Books & Exam Fees

Lesson fees do not include books and exam fees. Students or parents are responsible for purchasing all required books and materials. Exam registrations will be submitted only after full payment has been received.

6. Instrument & Learning Environment

Students should have an upright or digital piano with weighted keys and a sustain pedal. Acoustic pianos should be tuned regularly, and lessons should take place in a quiet, distraction-free environment.

7. Photos & Videos

Photos or videos may be taken during lessons to document and track your child's progress. Any sharing of these images or videos publicly will only occur with prior parental consent.
